

RVers of Idaho

December 2025 Newsletter

We hope everyone had a happy Thanksgiving. Sunny Arizona wasn't so sunny in the early part of this month, we had about 2 inches of rain, then it was extremely hot for a while. Now the weather is really nice. We are looking forward to seeing all of you at the summer rally. The Military Chapter is hosting a pre-rally campout the 5th-8th of June at Three Island Crossing and welcomes anyone to join them. They are also inviting members to attend a barbecue at the outing.

A reminder to Chapter presidents and treasurers that state dues are due if you haven't sent them to Judy Heinbach yet please take care of this asap and update your Chapter rosters on the RVERS website.

RV TIPS: When you get to a campsite, hook your water hose to the spigot and run a fair amount of water through the hose, you can see what the water looks like and also fill the hose to eliminate a lot of the air that would otherwise splatter water all over the place. In rainy weather your water hose and power cable can get quite muddy, use a rag to wipe them off as you store them. Using collapsible containers saves you a lot of storage space.

MONTHLY FUNNIES:

Waitress: Have I kept you waiting long? Customer: No, but did you know there are 3,296 tiles on the ceiling?

Doctor: After the operation, you'll be a new man. Patient: Could you please send the bill to the old man?

If the lightning scares you, don't worry, it will be over in a flash.

Merry Christmas to all of you, have a happy New Year!!!!

Ken and Monica
