

## RVERS of IDAHO

### August 2025 Newsletter

It's nearly time for our Fall Rally at Trinity View Resort, if you haven't made reservations yet, and you wish to attend, you can call them at 208 274-5050 or go to [trinityviewresort.com](http://trinityviewresort.com) and make reservations. The dates for the rally are 9-14 September. It will mostly be a laid-back event, with plenty of time to visit with friends, old and new. Wendy will provide our banquet dinner; price will be on the reservation form that will be available on our website soon. We will have the usual games to participate in.

Kaveman Travelers have recently lost one of their members, John Simmons passed away in July. I'm sure he will be missed by many. I didn't know him personally, but offer condolences to his family. We seem to be losing more and more of our members. Any ideas on what we can do to attract new members would be welcome.

We need someone to chair next June's Rally. If you would be willing to take that on, it would be greatly appreciated. Those who have chaired past events would help in any way they can. We all need to be willing to step up and help with our activities, in order to be able to continue as an organization.

**RV TIPS:** Some ways to organize your RV cheaply and easily. Shower caddies provide easy, accessible storage. Broom holders are a great way to store flashlights in handy and easy to find location. Use square containers instead of round ones. You can use hanging baskets for fruits and vegetables or frequently used utensils.

**MONTHLY FUNNIES:** What goes up but never comes down? Your age. What do you get when you mix poison ivy with a four-leaf clover? A rash of good luck. Why does it take longer to run from 2<sup>nd</sup> base to 3<sup>rd</sup> than it does to run from 1<sup>st</sup> to 2<sup>nd</sup>? Because there is a short stop between 2<sup>nd</sup> and 3<sup>rd</sup>.

Everyone be safe and enjoy the summer.

Respectfully, Monica and Ken
