

RVers of Idaho

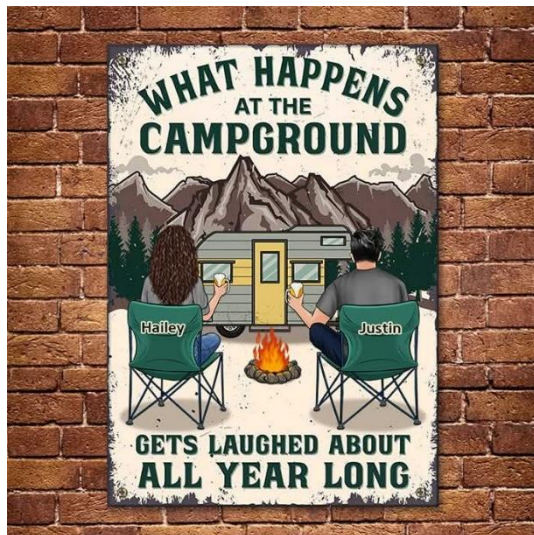

June 2025 Newsletter

Hello everyone, it's finally time for our Summer Rally. There is still time for you to register for it, the form is available to download under the Calendar tab on the RVers of Idaho website. Tim and the planning committee have assembled a variety of events to keep us busy and engaged, there is also a tentative schedule for the rally under the calendar tab. This year the teams for the games will be selected by random drawings. Each person wanting to participate in an event will sign up and teams will be formed by drawing names. This will give everyone the opportunity to get to know other members of our organization. The weather hopefully will be conducive to our activities. It appears that it is going to be unsettled for the next week or so, going from extremely warm to the cool side later this week. There is going to be a table for a book exchange and a swap meet table for any extra things you might want to trade, sell or give away.

Several of us from the Treasure Valley area made the trek to Grangeville for the memorial service for Frank Sargent. His family related several interesting and some funny stories about his life. Often when you attend these services you learn so much about a person and wish you had known them all their lives. We all have many experiences that others would like to know about us and only get to be known when we have passed on.

RV TIPS: There are many apps available for RVers that are helpful when travelling, some of them are: "*The Next Exit*", which will give you the services at exits on the interstate. Some others are "*RV Trip Wizard, RV parks & campgrounds and RV life*".

MONTHLY FUNNIES: What do you call a cat that got into the dryer and was never seen again? Socks! Barber "Your hair is getting thin". Customer *Who wants fat hair?*"

See you at Glens Ferry or till next month Ken & Monica
