

RVers of Idaho

June 2026 Newsletter

Well, it's about time for our summer rally. A few things to remember, there will be tables for give away items and a silent auction for items you would like to sell. Also, if you have any craft items you can set up a table to sell them. There will be a book and puzzle exchange. An apple dessert contest is also on the agenda, so if you have an apple dessert that you think others might enjoy, please enter the contest. There will also be a potluck dinner on Wednesday the 10th. June 1st will be the final planning meeting at Idaho Pizza at Fairview and Cole in Boise, any member is welcome to attend this meeting. You can come between 11:00 and noon, meeting to start at noon. Pat has put together a very good program for the rally, and some final touches will come together at this meeting. Bert needs your registration forms by Wednesday June 3rd, so that we will have numbers for the Saturday Banquet which will be funded by the state. If you are not able to get your registration to Bert by then, please call her so that she can have the numbers for ordering of meals. Don't forget about the Military Chapter's campout the weekend prior to the rally, everyone is invited to attend, the available camping spots at Three Island Crossing are limited by this time.

Again, we need a new director for RVers of Idaho to take over at the end of our fall rally in September. Nominations should be given to Judy Heinbach by the end of the June rally. If you have any interest in the position, you can contact Judy or me to get the particulars for the position. I am quite willing to give any assistance to a new person. We have a lot to lose if there isn't someone to take over.

RV TIPS: For motorhomes, the backs of the front seats make great storage areas. Use command hooks to hang utensils on a wall or inside a cabinet door. Storage cubbies make great organizers for closets

MONTHLY FUNNIES: Where do cows like to camp? MOO York. Did you hear there was a kidnapping at the campground? He's fine, he just woke up. Where do campers keep their money? In the riverbank.

Till next month
